ABOUT COMPANY

IECnet S.K.S.S.S. Chartered Accountants, commonly known as IECnet Pakistan, is one of the leading firms of Chartered Accountants providing a comprehensive range of professional services in Pakistan and abroad. The firm offers expertise in accounting, auditing, taxation, corporate advisory, management consultancy, human resource development, and IT control, along with modern business solutions such as web development, social media management, and Power BI reporting.

VISION & MISSION

Vision

To establish our firm and our brand as the premier provider of Audit, Tax and Consulting services in Pakistan; to leverage our knowledge, experience and professionalism to provide exceptional and personalized service to our clients; and to serve our local, regional and national communities with distinction.

Mission

We seek to provide our clients with the highest quality accounting, assurance, tax and business advisory services. We aim to execute with professionalism and deliver on time, every single time. We strive to exceed our clients' expectations by leveraging teams of highly-qualified, experienced and engaged professionals.
